

Newsletter 20th September

Dear all,

It's been a quieter week without our Falcon children! They have had a great time at the PGL centre in Liddington on their residential trip. The photos on our X account @BurghclerePri look fabulous and we look forward to hearing about their fun on Monday- they looked very tired when they returned today! A HUGE thank you to Mrs Field, Mrs Langrell and Mrs Barraclough who spent the week with the children and ensured they all had a great time.

This week we had a visit from Piers Fulcher, a student at Nottingham University who is studying to be a civil engineer. He talked about what civil engineers do, and set the children in Robin class and some of our Y5's some challenges including building a bridge made of paper and sellotape! The children had a great time and learnt a lot about problem solving and not giving up if at first something doesn't work, but to keep learning and to keep trying. This is a key learning behaviour and one we encourage all children to do. Thank you to Piers for planning and delivering an exciting day!

Next week we will be holding our school council elections. Please encourage your child to apply. They need to make an A4 poster showing their special qualities which would make them a great school councillor.

Have a great weekend!

Beulah

Mrs Beulah Letchford

Headteacher

Celebration Assembly

Congratulations to the following children who received a **Golden Rules** certificate this week: Cody, Brooklyn.

Congratulations to the following children who received a **School Values** certificate this week: Elliot, Maci, Josie, James.

Parking

Please be reminded that it is a road traffic offence to park on the yellow zig-zag lines outside our school gate and front entrance. Even more importantly, it blocks the view of oncoming traffic for children and parents who are crossing the road. We don't want an accident to happen so please park or drop children off a little further up the road. Thank you for your support with this.

Parent Liaison Group

We welcome parent feedback and our Parent Liaison Group is one of our main ways of collecting this. It meets each term with the Headteacher and a Governor representative. We would like at least two parents from each class to be the class representatives. If this is something you would be interested in, or would like more information about, please speak with Mrs Letchford in the playground. The first meeting is on Thursday 26th September at 9:00. **We need you!!**

Dates for the Diary

Each newsletter we will publish the dates of events happening during the term. Please be aware these may change and therefore it is important to check them each week. We will highlight changes in red when they first appear. Not every event is relevant to every parent. Look out for further information or letters with more detailed information for the events relevant to you.

Wednesday 25 th September	YR 2025 Open Morning - please spread the word to families and friends
Thursday 26 th September	Parent Liaison Group meeting 9:00
