Message from the Headteacher

Dear all,

I hope everyone had an enjoyable half term. The children have come back and settled into their learning very well- although we've all been frustrated by the wet playtimes! In assemblies this week we have been thinking about how treating people equally doesn't mean we treat them exactly the same. Everyone is different and sometimes different children need different things to help them access new learning. We had fun watching Clara and Dylan (who are very different heights!) trying to look over a wall, and then working out that one needed blocks to stand on but the other didn't so that they could both see over the wall! We then watched the following video:

Over the term we will be talking about different hidden disabilities and encouraging our children to be compassionate towards each other.

Have a great week!

Beulah

Key Notices

PE Kit Uniform

Children in Robin and Falcon are asked to come to school in their PE kits, so that more time can be spent doing the PE lesson. We have noticed that some children are not wearing a navy blue tracksuit top but other sports tops. We are currently looking at introducing a branded PE top for children to wear over their t-shirts, meanwhile please could you ensure your child has the correct tracksuit top to wear so that they continue to look smart in their appearance. Thank you.

Wildlife Photograph Competition

Congratulations to Grace who came second in The Base at Greenhams Wildlife Photograph competition! She was invited to a special preview of the exhibition yesterday. Falcon class have also been given the opportunity to visit the exhibition and take part in a workshop!

Staffing News

We said a sad farewell to Mrs Cummins this afternoon. Mrs Cummins has worked in Robin class as a learning support assistant for the last three years, and has decided the time is right to take on a new challenge working with older students. We wish her all the very best with her new adventure!

After School Club

From September 2025, the cost of our after-school club will increase from £12 to £15 per session. This change brings us in line with pricing at other local schools and will help us continue to provide a safe, engaging, and high-quality environment for our pupils. We appreciate your understanding and continued support and hope your children are enjoying the club!
