Message from the Headteacher

Dear all,

We are really pleased to be able to share our Ofsted report with you all. It's been hard not being able to tell the school community about it for the last two weeks! We're delighted with the outcomes in each of the areas and think it very much reflects our own self-evaluation. We have worked very hard over the last two and a half years and are pleased to see areas we have focussed on such as phonics, maths and science, been recognised as such strengths. If you have any questions about the report, please do come and talk with me.

On Monday, our children will be spending the afternoon in their new classes, a key part of the transition process. At the end of the day, parents are invited to 'Meet the Teacher' and go into their child's new class to have a look at how it is organised and ask any questions. We hope that those parents/carers of children moving into a new classroom will be able to make it.

School reports will be issued next week, along with KS2 SATs and Y1 phonics results. If you have any questions regarding these, please do talk to your child's class teacher.

Have a good week,

Beulah

Headteacher

Key Notices

Clubs

All clubs including Art, Netball and Nature Ninjas have now finished.

Book Fair

Thank you so much to all the parents who attended our Book Fair this year. It was a great opportunity for parents to purchase books for the summer holidays and to earn rewards for the school. The school was awarded over £166 towards new books for our school library. This is an amazing initiative by Scholastic and I am sure that the children will be looking forward to seeing the new books on the shelves next term.

As next week is our last full week of the school year, we would be grateful if all parents could return any school library books before the end of the week. Thank you.
