Message from the Headteacher

The first week has flown by! It's been busy with all **classes beginning their new learning journeys**: **Falcon** class are looking at the census to find about lives in Victorian times; **Robin** class have been creating cave paintings as part of their Stone Age learning; **Oak** class are enjoying the story of the Three Little Pigs; and **Acorn** class have finished their first week choosing a story book to take home to share with parents- it was brilliant to see how excited they were! So much more has been happening- take a look at our **Facebook page** to see what your child has been learning!

I would love to hear from parents interested in being part of our **Parent Liaison Group (PLG)** this year. It's a good forum to discuss how we can further improve our school- I always take something from each meeting. Please do come and speak to me if you would like to get involved.

Thanks to staff who are leading **lunchtime and after-school clubs** this term- there is a lot on offer so please encourage your child to make the most of these opportunities. We are also working with some outside providers to give our children an even wider selection of enrichment activities. We'd love to hear from **parents who have a hobby or skill** they would be keen to share with the children.

Finally, we wish **Falcon class** all the best for their **week long residential at PGL** next week- have an amazing time, give everything a go, and support each other- we look forward to hearing about your adventures when you return!

Key Notices

Healthy Lunchboxes and Snacks

If your child brings a break time snack to school, please ensure it is fruit or vegetables. We encourage home packed lunches to be healthy- children shouldn't be bringing in sweets or chocolate bars. Thank you for your support.

Start of the day

A gentle reminder that **lessons start at 8:45**. Teachers will have doors open at 8:40 to give them time to put their belongings away and be ready to start the day. If your child arrives after 8:45 it can make them feel unsettled and also disrupts the learning for other children. Thank you for your support.
