Message from the Headteacher

It was wonderful to see so many of you at our **Harvest Festival** at the church this morning! The children shared their poems and songs beautifully, the performances by the choir and band were excellent and the pupil leaders led reflective prayers. It was a real celebration. **Thank you for all the donations** you have sent in for the Food Bank- this has been one of our biggest collections. They will be very pleased.

In assembly on Wednesday, we talked to the children about the **Hello Yellow campaign** promoting **the importance of talking** as part of **World Mental Health Day** today. To see so many children and staff wearing something yellow to show that they will support others who might be going through a difficult time, was heart-warming. Both events have demonstrated what a **positive community** we have at Burghclere.

Falcon class enjoyed their first proper hang-out with our **American partner school** as part of the JDO work we do. They were really confident in talking to their new partners and we know this will be the start of some **excellent collaborative working relationships**.

Have a wonderful weekend!

Beulah

Sports Reports

Foot Golf Festival

A lovely afternoon at the Foot Golf Festival this afternoon! The team enjoyed all the different stations where they improved their football skills and then played two rounds of foot golf! They were very supportive of each other throughout. Well played Ella, Josie, Vinnie and Carson!

Key Notices

Share and Celebrate!

On the last Monday of each term we invite parents to come into the classroom at the end of the day so the children can share the learning they have been doing and parents can celebrate the progress they are making. This year, each term we will have a selection of work out to look at. This term, the children will have their writing books to share. Parents of children in Acorn class are welcome to come and look at the learning environment and talk to their child about the learning they do there. Please do come in and celebrate your child's work. Teaching staff will not be around during these sessions as we have staff training, however if you would like to talk to your child's teacher about the work you see, please make sure you have booked a parents evening appointment for the last Tuesday or Thursday of term. We hope to see everyone there!
