Message from the Headteacher

Dear all,

Welcome back! I hope you all had a lovely summer- the **children have been excited to tell us about their adventures!** They all have all settled into their classes, **building positive relationships with staff and peers**, and making a **super effort with their learning-** great work!

In assembly yesterday we talked about our **school values: Respect, Determination, Collaboration, Responsibility and Curiosity**, and how we can aim to demonstrate these in all we do. The children thought about their **aims for the year-** getting a handwriting pen, achieving a certificate, and playing in the football team were just some of them. We also talked about **making the most of the opportunities offered-** trying clubs, attending sports and music events, and entering competitions- and how this gives us an even better school experience. I am very excited to see that your children achieve this year!

As always, **if you have any questions, concerns or want to get further involved in the school**, please come and speak to myself or send an email.

Have a good weekend!

Beulah
