Message from the Headteacher

Dear all,

It's been a busy first full week back! It has been wonderful to see the children engaging so positively in their learning and making the most of the opportunities in class. In our assemblies this week we have focussed on **kindness and compassion**. I have challenged the children to look for opportunities to show kindness and compassion to others, whether through a small act, a helping hand or simply making someone smile. I look forward to hearing about all the wonderful acts of kindness taking place across our school! We have also had a **great start to our Netball Club on Wednesday**, and I would love to see even more children getting involved and joining the fun.

Have a good weekend!
