Message from the Headteacher

Dear all,

Thank you to everyone who responded to our parent information session questionnaire. This will help us shape the content, and the timing, of the sessions we will be running. Our first will be on the 6th October at 8:45am, and will focus on supporting children who are anxious. All parents/carers are welcome to attend.

Attendance in school is key to children's success. Missing a day of school not only impacts a child's academic progress, but also the time building friendships and having memorable experiences. We understand children do become unwell and sometimes need to be at home at that time, but, where possible, we want children attending school. We have been looking at the attendance of pupils in the first two weeks of term, as we know this can be an indicator of attendance throughout the year. We will continue to monitor this closely and will talk to you if we have concerns so that we can work together in the best interests of your child. If your child is unwell, please contact the office by 9am either by email or a phone call.

Y5/6 children look to have had a fantastic week at the PGL centre! The photos on our Facebook page have been great! We look forward to hearing about all their adventures next week. A HUGE thank you to Mrs Field, Mrs Langrell, Mrs Laidlaw and Mrs Vokins for spending the week with the children.

Have a good weekend!

Reading Volunteers

Reading is vital to children's success. We urgently need volunteers to listen to some of our children read daily. Can you spare just 15 minutes at 8:45 to do so? Or an hour at another time? Contact us if you can!

School Council

Children (Y1-Y6) who wish to be on the school council need to make a poster saying why and bring it into school next week. Classes will then vote!
