Message from the Headteacher

Dear all,

On Tuesday we had a wonderful **harvest festival** at the church. The children sung beautifully and shared the poems, songs and prayers with confidence. It was lovely to see so many parents and family members there- thank you! West Berkshire Food Bank were very grateful for all the amazing donations you were able to give. They will be put to good use.

It is recycling week this week and our **Eco-warriors** have been coming up with ideas on how we can be even better at this in school. They are excited to get our **eco-refill shop** up and running and have put opening dates in the diary. For it to be successful, we need more customers! There will be a samples stall set up outside the school hall during the parents evenings on Tuesday and Thursday. If you would like to try one, or some of our products, please put £1.00 in the pot and take a sample!

On Monday it is **Share and Celebrate** at 3:10/15! This is a chance for you to come into the classroom and look at your child's work and celebrate the progress they have made so far! The children love having the opportunity to do this. Teacher's won't be available to talk during this time but can follow up any questions you may have at the parents evening.

Have a great weekend!

Beulah

Sponsorship

We are looking for local businesses or individuals who may be able to sponsor our school to buy additional resources or support exciting opportunities for our children outside of the curriculum. If you are interested or know someone who might be able to help, please get in touch with the school office or speak with Mrs Letchford. Thank you for your support!
