The pantomime will begin! There might be loud music, bright lights and

lots of people clapping and laughing. This is okay.

There will be a break called an interval. I can go to the toilet, have a

drink and stretch my legs. I will stay with my grown-up.

When the break is over, we will go back to our seats. We will

watch the final part of the pantomime.

When the show finishes, we will leave the theatre together. We

will walk back to the coach and travel back to school.

When we arrive back at school, I will be collected as usual. I can tell my family all about the pantomime!

Remember:

- I will stay with my group.
- I will listen to my grown-ups.
- I can ask for help if I need it.
- It is okay to feel excited or nervous.
